Re: Byron J. Johnson Award

Dear Walt:

I am pleased to inform you that you have been selected as one of two recipients of the 2016 Byron J. Johnson Award from the Idaho Legal History Society. The Byron J. Johnson Award was created in 2007 in honor of Supreme Court Justice Byron Johnson, and is bestowed on ILHS members honoring the contributions of those who have significantly advanced the Society in fostering understanding and appreciation for Idaho's legal history.

On behalf of the ILHS Board of Directors, I offer my warmest congratulations to you for your tremendous efforts in your role as Treasurer of the Society. The Board was extremely impressed by your efforts and hard work in furthering the mission of the ILHS and stepping up to fill the Treasurer's position in 2013, when called upon to do so.

Arrangements have been made to present the award to you at the District Bench-Bar Conference on October 28, 2016 in Boise during the luncheon program. Please let Susie know if you would like to invite a guest, and we will be delighted to extend the invitation.

Congratulations again Walt on your hard work for the Idaho Legal History Society.

Sincerely,

Ernest A. Hoidal, President
